

BUNDLE UP WITH LEVA

LEVA has announced a special reduced pricing package to help government agencies meet their training requirements in these challenging economic times.

LEVA has bundled its premium training courses resulting in significant cost savings. All courses are conducted at LEVA's Digital Multimedia Evidence Processing Lab at the University Of Indianapolis, Indiana.

Courses must be completed within a two year period.

Courses may still be applied for separately but at the regular tuition rates.

Rates for private / corporate entities remain unchanged.

For new students from government agencies, the bundled course packages are:

Option 1:

*Level 1: Forensic Video Analysis & the Law, Level 2: Digital Multimedia Evidence Processing (formerly Intermediate FVA & Law) and Level 3: Advanced Forensic Video Analysis & the Law: \$2400. A savings of \$300!

Option 2:

Option 1 and Photographic/Video Comparison: \$3300. A savings of \$400!

Option 3:

Option 2 and Forensic Imaging Techniques: \$4000. A savings of \$500!

For returning students, the bundled course packages are:

Option 4:

Level 2: Digital Multimedia Evidence Processing (formerly Intermediate FVA & Law) and Level 3: Advanced Forensic Video Analysis & the Law: \$1700. A savings of \$200!

Option 5:

Option 4 and Photographic/Video Comparison: \$2600. A savings of \$300!

Option 6:

Option 4 and Forensic Imaging Techniques: \$2400. A savings of \$300!

Option 7:

Level 3: Advanced Forensic Video Analysis & the Law and Photographic/Video Comparison: \$1800. A savings of \$200!

For requirements and specifics on any class, go to www.leva.org and click on the TRAINING tab at the top.

Direct any questions to Mr. Jan Garvin, LEVA Training VP at training@leva.org.

About LEVA:

LEVA is a non-profit organization providing the de-facto standard in beginning to advanced forensic video analysis training. LEVA's Forensic Video Certification programs are the envy of the scientific community. Now in its 20th year, LEVA has trained more video analysts from throughout the world than any other training organization.

These (*) three core courses must be taken in sequence and successful completion results in LEVA certification as a Forensic Video Technician.
